SOLUTION BRIEF:

Print Nearly Anywhere with Brother Mobile Business Solutions

Businesses on the go need to be able to produce labels and documents anywhere and anytime. High-performance printers and labelers from Brother are easy to use and highly versatile.

PocketJet Series

Print full-page documents on the move right from popular computers and mobile devices. Brother PocketJet printers have set the standard for fullpage portable thermal printing for more than 30 years.

RuggedJet Family

In the field, in the store, and in the warehouse, quickly and reliably print 1-inch to 4-inch labels, receipts, tags, and more from wireless, tested-tough devices.

P-touch EDGE Handheld Label Printer Series

On-demand serialized and barcode labeling for tough industrial applications. P-touch EDGE handheld industrial label printers help you save time, manage projects, and print accurate labels that last.

Frontline Worker Use Cases

Healthcare

Whether it's printing instructions for patients in home health or labeling samples, Brother mobile printers are small, lightweight, and easy to use.

Retail

Print receipts, inventory and shelf labels, and more anywhere in the store quickly and easily with Brother mobile printers that associates carry with them.

Restaurant

From tableside service to food labeling on inventory, the nimbleness and size of Brother mobile printers make them perfect for restaurant use.

Field Services

Workers can produce long-lasting equipment labels and documents for customers right from company vehicles with Brother mobile printers.

Brother Even Better with Stratix Managed Mobile Services

Stratix is a full-service managed mobility services provider. Our decades of experience and long relationship with Brother help make your mobile solutions convenient, easy, and cost-effective. Our services include:

- **Authorized Brother repair services** – Our authorized repair services and spare pool management ensure your people always have the right tools to be as productive as possible.

- **Mobile solution consulting** – Our certified in-house experts will look at your needs and workflows to recommend printing solutions that will achieve your goals.

- **Project management** – We're experts in administering large-scale mobile solution programs on time and on budget.

- **Superior mobile deployment** – Our advanced Mobile Integration Center kits and configures thousands of devices that can be paired with other equipment in a package.

- **Endpoint management** – Stratix's unified endpoint management (UEM) solutions ensure security, compliance, and upgrades across your print device environment.

- **itrac360** – Our proprietary asset management portal gives you 360-degree visibility of your entire fleet of mobile assets, enabling better analytics and control of your total cost of ownership.

- **Full lifecycle services** – From procurement and deployment through repair and eventual disposal, Stratix managed services keep your devices up and running in your end users' hands—maintaining productivity and maximizing your mobile technology investments.

- **Print supplies** – We not only handle support and repairs, but we can also manage print supplies so you never run out.

- **Industry-leading support** – Our on-shore 24/7 help desk is staffed by highly-trained experts who know your environment.

- **Easy-to-use portals** - Streamline and automate print device procurement and distribution – as stand-alone accessories or together in a complete package with simple eCommerce-like experiences.
